Parent Information

This Report Card is designed to communicate about student:

- Mastery of academic standards in language arts and math;
- Demonstration of Learning Skills that support academic success; and
- Growth over time on grade-level benchmarks in reading and math.

Mastery of the standards is achieved when students demonstrate that they can apply acquired knowledge and skills consistently over time to support future learning.

Students will demonstrate their application of skills and understanding through class assessments, assignments, projects, and other indicators.

On the back page of this Report Card you will find the standards students will be taught and expected to master by the end of the year. Your child's progress toward mastery will be reported in November and March. The end of year summary in June will report if mastery has been achieved.

Clarifying Remarks (optional)
